If we can get the memo sooner that would probably be helpful since I have 1 million reviewers and it needs to be at least “draft” done by Tuesday afternoon for discussion purposes, and in fact they may want to send it to the state on Monday so that does not leave much time. The checklist is not going to anyone externally so its not as crucial.

Hi Michele,

We'll deliver the next version by the start of the day on Friday (Pacific time). We can send the checklist then as well.

Thanks,

Anna
